Campus
Representatives
of the American
Society for
Engineering Education

The Countdown
Begins:

If you are reading
this on Friday June
11, there are less
than 9 days before
the workshops
start, the picnic be-
gins, and the great
conference in Lou-
isville takes flight.
Drive and fly care-
fully.

ASEE and Louisville Beckon

Louisville 2010

is almost here!

This may be the
last item that you
read before you
start the journey
to Louisville. I
hope that it makes
it to the priority
placement and
we'll see you in
the Campus Rep
Sessions for
Information and
Recognition.

BRING your ideas,
hands-on activities,
comments, stories,
etc. to the Campus
rep meeting on
Tuesday where we
will conduct "A
meeting and brain-
storming session for
all Campus Reps."

Campus issues,
questions, sage ad-
vice from long time
campus reps, and
the like can provide
a session that will
really provide you
with insights into
doing a great job as
a campus rep.

Campus issues, questions, sage advice from long time campus reps, and the like can provide a session that will really provide you with insights into doing a great job as a campus rep.

If you are new to the campus rep family, please plan to attend.

These are the listed Student chapters of ASEE. If your institution has recently started a chapter, please plan to give that information during the Campus Rep Orientation Session (2512).
