

ASEE Annual Conference 2021

Computing and Information Technology Division

Call for Papers

The **COMPUTING AND INFORMATION TECHNOLOGY DIVISION (CIT)** invites abstracts and subsequent papers for the 2021 ASEE Annual Conference being held in **Long Beach, CA, June 27 - 30, 2021**. CIT is a multidisciplinary group with interests in education in computing and information technology, applied information engineering, systems integration, and information technology management. **Papers that are accepted by the CIT division are automatically considered eligible for the CIT Best Paper Award.** The CIT Best Paper is then considered for the ASEE Annual Conference Best Paper award, competing against the Best Papers from other divisions.

The CIT division encourages contributors from any discipline to submit relevant abstracts for the 2020 ASEE Annual Conference. CIT Division also accepts research articles under “**Work in Progress**” category. Topics of interest to CIT include, but are not limited to, the following areas:

High Performance Computing:

- Cloud Computing
- Virtualization
- Cluster Computing
- Parallel Computing
- Multicore Computing
- Grid Computing
- Computing in Biology
- Cyberinfrastructure Systems
- Operating Systems for Parallel and Distributed Systems
- Fault Tolerance and Testing in Computing
- Teaching Parallel Application Development
- Multi-tier and Enterprise Processing
- Computing in Healthcare System
- Bioinformatics

Networking and Security:

- Robotic Networking
- Network Security
- Embedded Security
- Wired and Wireless Networking
- Local and Global Privacy and Security Standards
- Designing Security into Integrated Systems
- Information Assurance and Security
- Web Services and Internet Computing

Database Systems:

- Parallel Databases
- Mobile Database
- Data Engineering
- Big-Data Analysis
- Data Mining and Warehousing
- Distributed Databases
- Embedded Databases

Embedded and Cyber-Physical Systems:

- Real-Time Systems
- Mobile Applications
- Mobile Systems
- Mobile and Ubiquitous Computing
- Wireless Sensor Networks

Student Recruitment, Curriculum, and Other Issues in Engineering, Computing and Information Technology Education:

- Women in Computing
- K-12 to College Computing Curricula
- Assessment Approaches for the Computing Curricula
- Innovation in Computing Systems in Education
- Novel Uses of Information Technology for Instruction
- Computer Science & Information Systems Student Recruitment Activities
- Capstone Experiences in Information, Engineering, and Computing Curricula
- Computer Science and Information Technology Education
- Undergraduate Research Involving Information and Computing

Miscellaneous Areas of Interest:

- Artificial Intelligence
- Software Defined Radio
- Nanotechnology
- Internet of Things
- Computational Intelligence
- Human Computer Interaction and Visualization
- Enterprise Systems Architecture / Administration
- Infrastructure for Remote Education
- Remote Access Laboratories

Abstracts should be submitted through www.asee.org conference papers link.

IMPORTANT DEADLINES:

Sept 8, 2020	Abstract Submission Open Panel Session Application Open
Oct 12, 2020	Abstract Submission Closed (Please Note: Draft Papers can be submitted as soon as Abstracts are accepted)
Nov 2, 2020	Abstract Accept or Reject Notification to Author Deadline
Feb 8, 2021	Author Deadline: Draft Paper Submission

Authors of accepted abstracts will be invited to prepare a full paper for peer review for publication in the conference proceedings. The CIT has a Publish-to-Present policy which states that a paper must be both submitted and accepted for publication in order to present at the annual conference.

Please contact any of the following for questions and clarifications

2020 CIT Division Chair:

Mudasser F. Wyne, Ph.D.
Professor of Computer Science
School of Engineering and Computing,
National University,
3678 Aero Court,
San Diego, CA-92123
Phone: (858) 309 3433, Email:
mwyne@nu.edu

2020 CIT Program Chair:

Afsaneh Minaie, Ph.D.
Professor of Computer Engineering
College of Engineering and Technology
Department of Engineering, Chair
Utah Valley University
800 W. University Parkway
Orem, UT 84058
(801) 863-6391
minaieaf@uvu.edu
